4th International Sea-Kayaker's Meeting

15 – 23 August, 2009
in Landéda (29870) / Brittany / France

This year once again, the association « Connaissance du Kayak de mer » (CK/MER) is organising an international sea-kayaker's meeting, from 15 till 23 August 2009. This event will be run along the same lines as the one held in Penvenan in 2006. It will take place on the Aber Wrac'h estuary, at the municipal campsite of Penn Enez, in Landéda, a small Breton commune of the Finistère department (postal code: 29870).

This event should allow kayakers with many outlooks and from many seas to meet in a beautiful setting and to share their experiences and love of the sea while enjoying a unique opportunity to paddle either in sheltered waters or on the open sea.

The idea is simple : each participant will be self-sufficient as regards his own kayaking and camping equipment. He will organise his own outings depending on his personal capabilities, his interests, his encounters with others...or his mood !

Obviously, **each of us will retain full responsibility for his/her own navigating decisions**, and should be covered by a proper insurance for the damage he/she might suffer or generate to third parties.

The CK/MER international sea kayaker's meeting will be hosted at the municipal campsite of Penn Enez, in Landéda just by the beach: <http://www.camping-penn-enez.com/>. Please note, however, that we recommend using tents: Cars and campers must remain on the nearby parking.

Families are of course welcome.

CK/MER members will gladly share their knowledge of local resources (e.g. shopping facilities in Landéda, 3 km away).

Our meeting is meant to foster interactions, sharing and friendships while relying on autonomy and responsibility. We hope you will seize this opportunity to come paddling with us in a beautiful environment. We expect that this week will be rich in discoveries and a source of profound enjoyment for all of us.
